ABOUT THE TITAN PROJECT:

The Houston Department of Health and Human Services has teamed up with its community partners to launch the **TITAN PROJECT**. Located in the Riverside Health Center in 3rd Ward, 3315 Delano, the **TITAN PROJECT** offers a safe place for adolescent and adult males (ages 14-55) to socialize, learn, and access confidential, professional health services in a male-friendly environment. It boasts the first male-only public health clinic in Texas.

Guidelines:

Please follow these guidelines in drafting and submitting your sketches:

- Sketches should be consistent with and relatable to the project.
- Sketches can include any combination of the name, logo, motto, or your own imagery depicting either of these or one of the themes. What we are looking for is your artistic interpretation and/or likeness of the name, logo, motto or a theme.
- Positive messages only; no dark, vulgar and/or offensive words or imagery.
- Sketches should be neutral with regard to race, ethnicity, culture, origin or orientation.
- Sketches can be drawn or computer-generated, and no larger than one 8"x11" sheet
- Sketches will be reviewed by a committee that will reserve the right to approve/refuse any submission.

Possible themes: adolescent and adult males, health and wellness, healthy living habits, physical exercise, sports, smoking cessation, pregnancy prevention, sexual & reproductive health, responsible fatherhood, parental responsibility, family, healthy relationships, leadership / positive role models, total man (mind, body, & spirit), overcoming barriers to success, successful re-entry into society & family from incarceration

Motto: **Strong Men are HEALTHY Men!**

There is no entry fee. The deadline for sketches is **Friday, May 7**. Please submit your sketch with the entry form via email or mail to:
